IMPORTANT NOTICE

Protect Our Pipes – Think Before You Flush

We want to remind everyone that toilets are not trash cans. Flushing non-flushable items like wipes (even those labeled "flushable"), paper towels, feminine hygiene products, diapers, grease, and other household waste can lead to serious blockages in the sewer system. These blockages not only cause environmental harm and system damage, but they can also lead to sewer backups and costly repairs. If inappropriate materials are traced back to a specific property, the responsible party may be held liable for the cost of repairs and cleanup. Please do your part to keep our wastewater system flowing smoothly — only flush toilet paper and human waste.

RV Parking Rules in the City of Kooskia

1. General Rule:

You're not allowed to live in a travel trailer, tent trailer, motor home, 5th wheel or recreational vehicle **outside of a trailer park or mobile home subdivision**— unless there's a specific exception

2.Exception for Primary Residence:

If you apply and get permission from the **Kooskia City Council**, you can keep **one occupied RV or trailer** on your own property **as your main home** but it **must be connected to city water and sewer services**.

CITY OF KOOSKIA

SPRING CLEAN-UP

City of Kooskia Spring

Clean-Up week has been set for May 1 thru May 14. Simmons Sanitation will place roll-off containers near the Kooskia City Park, on Broadway Ave., across from the Presbyterian Church and in East Kooskia at the intersection of Broadway and Ping for your convenience. Appliances may be put in the containers however all other metal cut into 4 foot lengths. Brush and boards cut into 4 foot lengths. **NO PESTICIDES, OIL, PAINTS, BATTERIES, TRUCK OR EQUIPMENT TIRES!!** Those items would need to be taken directly to the Transfer Station in Kamiah and the hours are 9:00 a.m. – 4:00 p.m. every day.
